## 6. DISTILLERY/BREWERY

### 1. OLD DOMINICK DISTILLERY MEMPHIS, TENNESSEE (SHELBY COUNTY)

---

<sup>8</sup> TCA 57-3-203, which states, in part, (c) No wholesale alcoholic spirituous beverage license shall be issued until the applicant has secured a basic permit to engage in the wholesale liquor business from the federal government.

Applicant: Old Dominick Distillery, LLC  
Member(s): D. Canale & Co. , 100%  
Chris W. Canale, Jr, President  
Kristin Anglin, CEO  
Jay Fik, Secretary

Before the Commission is a request for licensing of a new distillery to be located at 305 South Front Street, Memphis, TN 38103. Applicant would lease the premises where the distillery will be located from Dominick Properties, LLC. Staff has identified a dual interest between the applicant and liquor-by-the-drink licensees in violation of TABC rules<sup>9</sup> and therefore recommends ~~denial~~ of this application.

**Discussion/Action Taken:**

Director Byrd noted that when applicant and staff began communicating about the licensure of Old Dominick in 2014, an issue was raised with respect to the applicant having leasehold interest in liquor-by-the-drink establishments, which is prohibited under dual interest provision in TABC rules. In reliance on communication with the former Director about a trust arrangement, the applicant invested funds into the business and building the facility. Director Byrd noted that he informed applicant that he was uncomfortable allowing a trust to be utilized in the manner in which it was previously approved and that the printed agenda included a recommendation for denial because at that time there was not an agreement as to what would be a satisfactory solution. Since the publication of the agenda an arrangement was discussed in which the applicant would create a irrevocable trust to grant to the trustee - independent of the conflict -the leasehold interest property that held the lbd property and that if the beneficiary was not conflicted in the dual interest prohibition, that staff would be comfortable with that arrangement.

Director Byrd then recommended conditional approval of the request, subject to:

- receipt of the following: trust documents and staff review
- rent arrangements with lbds lowered below 5%
- license fee
- TABC inspection
- Acknowledgment of TABC Rules & Regulations with that arrangement.

<sup>9</sup> 0100-03-.16 DUAL INTERESTS PROHIBITED.

(1) Manufacturer and Importer.

No manufacturer or importer, or representative of the same, shall have any kind of interest financial, fixtures, furnishings, stock ownership, loans, gifts, securing loans, guaranteeing payment of any loan, lease of property or participate in the profits, either directly or indirectly, in any wholesaler or any retail on-premise or off-premise liquor establishment in Tennessee.

It was noted that the trust documentation would be forthcoming and Mr. Cheek acknowledged that applicant understood the risk and was willing to assume the risk should the TABC rules not be changed.

Commissioner Jones noted that he was prepared make a motion for approval subject to the contingencies that had been alluded to in the discussion and requested that Director Byrd restate the contingencies for a conditional approval. Director Byrd then stated the contingencies as follows:

- creation of trust where the grantor of the trust (dual interest holder in both the proposed manufacturer and a commercial building which lbd establishments located in those facilities) would convey that trust property to an independent trustee who would manage that trust property and then any income/benefit derived from the trust property would flow to a beneficiary who is not the grantor or anyone that is an interest holder in the distillery. The trust would be irrevocable - the transfer of the property to the trust could not be changed absent a change in the rule or law that would allow a dual interest to occur.
- TABC inspection
- Acknowledgment of Rules and Regulations
- license fee

Commissioner Jones motioned to approve this license subject to staff's satisfaction of items as stated. Commissioner McDaniel seconded the motion and it passed with two ayes.

**B. WHOLESALE DELINQUENCIES – UPDATE & DISCUSSION ON PLAN OF ACTION -**

**(1) RETAIL PACKAGE STORE LICENSEES**

In accordance with the discussion at last month's Commission meeting and the below statutes, staff has sent notices of financial viability/responsibility requirements under T.C.A. § 57-3-104(c)(10) to approximately 25 TABC retail package stores. At this time, staff is focusing on those package stores with a minimum of 20 reported delinquencies. The letter provides a list of several corrective measures that could be taken by the licensee, including:

- Take steps to ensure that payment is received prior to the expiration of the 10 business day deadline, such as hand delivering payment or mailing payment well ahead of the deadline;
- Use an electronic fund transfer (EFT) payment system or other electronic payment system;
- Use an escrow account established with the wholesalers; and
- Make payment upon delivery.

See the following link for a posting of retail package store licensees' delinquent account status with wholesalers: <https://www.tn.gov/abc/section/public-information-and-forms>

Tenn. Code Ann. § 57-3-404 provides, in part:

(g) (1) No holder of a license for the sale of alcoholic beverages for wholesale or retail shall sell, deliver, or cause, permit or procure to be sold or delivered, any alcoholic beverages on credit, except that holders of wholesale licenses may sell on not more than ten (10) days' credit.

(2) The ten-day period begins from delivery and receipt by the retail licensee. The ten-day period cannot include any day that the wholesaler is not open to make deliveries, receive payment or receive mail.

(3) Any suspension of deliveries is a credit decision to be made by a wholesaler and a retail licensee.

(4) A wholesaler shall be permitted to communicate with another wholesaler about the account status of any retail licensee.

(5) Wholesalers shall advise the commission of any failure of a retailer to comply with this subsection (g).

(6) The commission shall be permitted to post the account status of a retail licensee with any wholesaler on its web site.

(7) This subsection (g) shall not apply to nonalcoholic products.

Tenn. Code Ann. § 57-3-104(c), reads in part:

(c) The commission shall have and exercise the following functions, duties and powers:

(10) Refuse to issue or renew a license or permit if, upon investigation, the commission finds that the applicant for a license or permit has not demonstrated the financial capacity to operate the business in a manner consistent with the regulations of the commission or is not generally paying its debts as they come due except for debts as to which there is a bona fide dispute.

## **(2) LIQUOR-BY-THE DRINK LICENSEES**

In furtherance of the discussion at last month's Commission meeting and pursuant to the below statutes, staff recommends initiating contested cases against LBD licensees that are delinquent in their payments to wholesalers.

Tenn. Code Ann. § 57-4-203 provides in part:

(o) Extension of Credit by Wholesalers to Retailers.

(1) No wholesaler licensed under § 57-3-203 shall be permitted to extend credit of any retailer licensed under § 57-4-101 unless pursuant to this subsection (o). All amounts due to any wholesaler from all sales to such retailers shall be due upon delivery of the product.

(2) Notwithstanding the limitations of subdivision (o)(1), wholesalers licensed under § 57-3-203 may extend credit to a retailer licensed under § 57-4-101 for a period not to exceed ten (10) days from the date of the delivery of the product; provided, the payment is effected by electronic funds transfer or escrow prepayment.

(3) It shall create a rebuttable presumption that a retailer licensed under § 57-4-101 is not financially responsible under § 57-3-104(c)(10) if the retailer fails to satisfy its obligations to any wholesaler in accordance with each wholesaler's credit terms twice within a twelve-month period. Upon being advised by any wholesaler licensed under § 57-3-203 twice within a twelve-month period that a retailer has failed to comply with the applicable credit terms, the commission shall set a hearing as soon as practicable at its next available meeting to determine whether the retailer can rebut the presumption created by this subdivision (o)(3). Upon a finding that the retailer is not financially responsible under § 57-3-104(c)(10), the commission may issue a fine, suspend or revoke the license, or make any other order it deems appropriate.

### **Discussion/Action Taken:**

Director Byrd asked Commission Counsel, Keith Hollingshead-Cook, to address the Commission on this issue. Mr. Hollingshead-Cook commented on the relevant statutes and updated the Commission on what had been done since the previous meeting and noted staff's plan of action moving forward.

Attorney Hollingshead-Cook also noted the following:

-Since the last meeting staff had began to send letters to package stores explaining the statutory requirements and noting the letters included suggestions of remedies to correct the issues.

-Mr. Hollingshead-Cook also noted that it is the opinion of TABC staff that the statute, T.C.A § 57-3-404(g)(3), specifically states that a wholesaler may cease doing business with a retail package store - that it is a business decision for the wholesaler to make. Additionally, Mr. Hollingshead-Cook commented that it is the opinion of TABC staff that TABC rule 0100-06-.09 concerning discrimination, does not prohibit a wholesaler from doing or ceasing to do business with a retail package store that is delinquent.

Concerning liquor-by-the-drink establishments, Attorney Hollingshead-Cook noted the following:

-staff had compiled a list of delinquent liquor-by-the-drink establishments who have two or more delinquencies. Mr. Hollingshead-Cook noted that about sixty establishments had at least two reported delinquencies, and of those sixty, seven of those had five or more reported delinquencies, and the most reported delinquencies of any licensee on the list was approximately seventeen. The vast majority of those on the list had two or three reported delinquencies.

-staff's plan was to collect supporting documentation from the wholesalers and to initiate contested case hearings against these licensees and handle these similarly to how staff handles citations and also that the hearings, if needed, would occur in front of an Administrative Law Judge.

### **(3) COMMENTS FROM THE PUBLIC**

The following members from the public addressed the Commission on this matter:

-Dan Haskell, General Counsel of the Tennessee Hospitality and Tourism Association noting that the Commission may want to consider to moving slowly in implementing the process that staff described and allowing time for the businesses to work through the problem.

-Attorney Hank Hildebrand noted the differences in the delinquencies for liquor-by-the drink establishments as opposed to package stores; he added that the delinquencies reported his association collect supporting documentation from their members.

-Director Byrd noted that the general assembly has mandated that wholesalers report delinquencies to the Commission and that all license types will be informed of what the law provides.

-Chairperson McDaniel noted that once a quarter the staff could update the Commission
