*Before providing an update on retail food store licenses, Director Byrd, noted that staff has received a request for approval of a second extension (for the applicant to be ready for licensure) for Nashville International Airport, noting that the matter did not appear on the meeting's agenda. Director Byrd noted that staff had approved an initial extension, but the second 30 day extension must come before the full Commission for approval. The Commission questioned whether they could take up the matter if it was not on the agenda; staff noted they believed they could take up the matter because it was not a contentious issue and that the license itself was previously approved with conditions by the Commission and this was a request for an extension of that approval. Staff noted that the request was received via email in writing, the day before the Commission meeting, which was after the agenda was published. Rob Pinson, on behalf of the applicant, stated that the Commission in the past had approved extensions after the expiration of the first extension. Commissioner Jones noted that he had no objection to voting in the matter so long as the agency would accord the same opportunity to other applicants and that there is a written request.

Director Byrd then recommended that the matter be taken up at the next Commission meeting and that these types of requests would be subject to the two week deadline, as such, Director Byrd withdrew the request for the Commission to hear the matter at the October meeting. Attorney Pinson stated that he believed the matter could be approved without the application having to re-apply.

Discussion/Action Taken:

- Director Byrd noted that 768 email addresses had been submitted to the Commission's list.

- Director Byrd noted that all rules submissions have been reviewed by staff and that the changes have been compiled into a document and that staff anticipated providing a draft copy prior to initiating the rule-making process with the Secretary of the State's office.

- Director Byrd also commented on wholesaler delinquencies, reviewing the statutes relating to retail package stores and liquor-by-the-drink licensees and the process that staff has contemplated, noting that the statute provides for somewhat different remedies for lbd's compared to package stores. The Director noted that staff had drafted a letter to send to licensees regarding wholesaler payment delinquencies. Hank Hildebrand also commented on this issue.
